Dear Friend,

Praise God; our recent print run of 20,000,000 English Scripture readings has been completed. Shown here at the printer's warehouse are the 23 full pallets ready to ship. Each pallet has 100 boxes with 400 sets of the Bible portions. See <http://www.bf.org/portions>.

Besides the Bible portions that we publish for free distribution, we network with people throughout North America to gather Bibles and study aids for free distribution to ministries that can place them into hands. Notice the smile that brings.

When people meditate in Scripture, pray, and network with the family, great things happen. Our website lets everyone get as involved as they like. We encourage everyone to seek to please God. He inspired all Scripture to help us and He lets us commune with Him all the time about everything. It is easy to hold out a Bible portion and ask people if they would like a Bible verse. Getting Scripture into hands helps to get it into hearts, beginning with our hands and hearts.

We give thanks to God for those He uses to make this ministry possible.
